94 is presumed that the ports of the sweepers have been abolished from the date the roads and latrines were handed over to the Hubly Muny. Leave cannot be given when there are no posts, unless it is decided to grant it as terminal concession. The question of handing over the roads and latrines must be under consideration for a long time and the sweepers also must be aware of their possible retrenchment In view of these circumstances, there does not appear sufficient grounds justification for grant of 30 days earned leave, as terminal leave.

There is no justification to grant terminal leave and the Director should not have granted the same, before obtaining Govt. orders. Presumably leave salary would have been paid to the sweepers by this time and it will involve hardship to recover the amount from them for no fault of theirs. In the circumstances there is no alternative to give ex-post facto sanction, to regularise the action taken by the Director.

Subject:- Sweepers in the ex-Settlement, Hubli.
Dispensing with the services of the -

The roads and latrines in the ex-Criminal Tribes Settlement, Hubli, were in charge of this Department and as such, three sweepers on contract establishment were being utilised for cleaning the roads and latrines etc. As the roads and latrines were handed over to the Hubli Municipality on 26-9-1954, the Assistant Director of Backward Class Welfare, Dharwar Circle, Dharwar, informed the Superintendent, Government Backward Class Hostel, Hubli, who was drawing their pay to pay them upto 25-9-1954 inclusive and inform them that their services were not required with effect from 26-9-1954 by a memo and a copy was forwarded to this office for issuing formal orders dispensing with the services of the three sweepers from 26-9-1954. This memo was received in this office on 29-9-1954. Along with this memo, a representation from the sweepers dated 28-9-1954 was received to the effect that one month's notice was not given and it should be given to them. Since their services were terminated by the Assistant Director of Backward Class Welfare, Dharwar, from 26-9-1954, it was not possible to give one month's notice. However, they were granted earned leave for 30 days from 26-9-1954 and a formal discharge order was given from 26-10-1954 i.e. from the expiry of the leave period, it was presumed that it would serve the purpose of giving one month's notice. No formal orders dispensing with their services have yet been issued from this office. So, to regularise the action of giving them one month's notice, it was proposed to sanction earned leave for 30 days from 26-9-1954 and to issue discharge order from 26-10-1954 i.e. on the expiry of the leave.

2. Before issuing the orders, the Accountant General, Bombay, was referred to in this respect under this office letter No.ES/I/SR-3(b)/741 dated 10-12-1954 to give his opinion in the matter. The Accountant General, Bombay, under his letter No.DA.XIII/DR/5639 dated 28-12-1954 has informed this office to refer the matter to Government. You are, therefore, requested to move the Government in Education Department to sanction earned leave for 30 days to the three ex-sweepers from 26-9-1954 to 25-10-1954 and to issue discharge order from 26-10-1954 before-noon.
